The Enneagram in Love and Work 1995-12-15 are you afraid of or unable to create intimacy or closeness with your intimate partner do you find that sometimes you create emotional communicative or even physical distance from that special someone in your life even when deep down you really don t want to if so you share the relationship style psychologists refer to as the distancer distancers are often afraid of being engulfed or controlled by their partners they fear rejection vulnerability and dependence sadly they also tend to have short and unhappy relationships if you want to stop running from love in your life this book offers a simple step by step approach you can use to move beyond your fear of intimacy and start building strong and lasting relationships the exercises and self evaluations in the book will help you become aware of how you operate in romantic relationships you ll review and reassess your relationship patterns deciding what changes you want to make in future relationships then you ll commit to actions that can make it happen

The English in Love 2013-08-22 love has a history it has meant different things to different people at different moments and has served different purposes this book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people it is a story based in england but informed by america and covers the period from the end of the first world war until the break up of the beatles to the casual observer this era was a golden age of marriage more people married than ever before they did so at increasingly younger ages and there was a revolution in our idea of what marriage meant pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment and yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure scratching beneath the surface of the apparent golden age of marriage claire langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period it is a tale of quiet emotional instability persistent subversion and unsettling change at its end the idea of life long marriage was in serious decline and as langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself

The Psychology of Love and Hate in Intimate Relationships 2016-06-23 in the power of intimate love the author takes readers through the song of solomon showing how this frequently

overlooked book is still incredibly relevant for modern marriages in eight easy to read chapters the reader will discover that benefits of a great sexual relationship in marriage will benefit the life not only physically but mentally emotionally and spiritually as well

Intimate Terrorism 1996 we live in an age when love and power have become virtually interchangeable intimate terrorism is a profound and beautifully written exploration of this condition that draws from psychology literature popular culture current events and the author's own therapeutic practice to examine the contemporary crisis of intimacy and suggest what we all might do about it in doing so it offers one of the most probing readings of the American psyche in years

When Food Is Love 1992-07-01 anthropologist elizabeth a povinelli theorizes intimate relations as sites which bring into view the interplay between liberalism's contradictory ideals of freedom and constraint

Modern Love 2003-08-01 this book challenges assumptions about the motivations that drive women from relatively poor developing countries to use intermarriage dating sites to find partners from relatively wealthy developed countries it is generally assumed that economic deprivation or economic opportunities are the main factors but this book instead focuses on the work of women's imagination in online cross cultural relationships including the role of desire love and intimacy the experiences of thai women are used to explore how they initiate develop and maintain love and intimacy with western men across distance and time the book shows that in the absence of opportunities to search and meet partners from geographically distant parts of the world the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering the book will be of interest to scholars and students with an interest in family and intimate life gender and sexualities asian and thai studies globalization and nationalism culture and media sociology and anthropology

The Science of Intimate Relationships 2019-08-19

Modern Love 2006 private life has altered beyond all recognition during the past one hundred years britain in 1900 was emerging from a victorian era in which prudery patriarchal authority and pettifogging rules of etiquette were widely perceived to have circumscribed relations between men and women the twentieth century witnessed a reaction against this system of separate spheres spearheaded by reformers eager that the sexes become each other's equals and intimates modern love traces the trajectory of this new model of personal relationships over the course of the twentieth century from its emergence out of the crucible of the suffrage campaign through its reshaping by the women's liberation movement it explores its impact on smut merchants warring couples and teenagers as well as its reception by such diverse figures as bertrand russell and germaine greer it draws on sources as varied as suffragette propaganda banned sex manuals marriage counseling literature and pin up magazines marcus collins teaches modern british history at emory university

Enchanted Love 2013-12-17 three of marianne williamson's previous bestsellers a return to love a woman's worth and illuminata explored the issue of relationships now in this deeply personal collection of essays prayers and self reflection she turns to romantic love in illuminata williamson wrote that we experience god to the extent to which we love forgive and focus on the good in others and ourselves now in enchanted love she writes that enchanted partnership begins with the conscious understanding on the part of two people that the purpose of their relationship is not so much material as spiritual and the internal skills demanded by it are prodigious high romance she says is not about past or future it is not about practicality it is not about society or worldly routines it is an audacious ride to the center of what is at the heart of every person it is a bold and masterful inquiry into what two people really are and how we might become while still on earth the angels who reside within us

Positive Psychology of Love 2013-06-27 drawing on interviews conducted with black couples in the united states this book explores relational resilience and identifies unique adaptation

strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activates compassionate love in flourishing relationships by applying appreciative inquiry as methodology and family systems theory the book captures the spiritual emotional and sexual dimensions in black couple systems that gives meaning to their resilient relationships in the context of contemporary america within the framework of compassionate love the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma informed studies and interventions using genetic studies and empirical evidence the volume contributes significantly to discussion around black relationships and historical trauma and to the broader challenges within race relations in the united states this book will benefit researchers academicians and clinicians with an interest in sexual trauma marriage and family therapy and couples counseling more broadly readers will also find this book useful when designing research in black studies intergenerational issues or sexual intimacy

Conditions of Love 2002 1 new york times bestselling author of *women food and god a life changing book* oprah in this moving and intimate book geneen roth bestselling author of *feeding the hungry heart* and *breaking free from compulsive eating* shows how dieting and emotional eating often become a substitute for intimacy drawing on her own painful personal experiences as well as the candid stories of those she has helped in her seminars roth examines the crucial issues that surround emotional eating need for control dependency on melodrama desire for what is forbidden and the belief that one wrong move can mean catastrophe she shows why many people overeat in an attempt to satisfy their emotional hunger and why weight loss frequently just uncovers a new set of problems but her welcome message is that change is possible this book will help readers break destructive self perpetuating patterns and learn to satisfy all the hungers physical and emotional that make us human

Love and War in Intimate Relationships: Connection, Disconnection, and Mutual Regulation in Couple Therapy

2011-04-11 this is straight talk and teaching bishop joseph w walker iii draws on scripture to describe five ways for men and women to give and receive the kind of love that leads to what we all want a fulfilling committed relationship these steps include how to be ready for a holy hookup meeting the standard being real being on the same team and living to the glory of god together a long lasting loving intimate relationship is a beautiful thing i should know because i ve been blessed with two the day i married dr diane greer was one of the happiest days of my life but that did not last because diane died a few years later this past year i married dr stephaine hale it was a day i will never forget god gave me the desires of my heart and proved to me that he is a restorer i am convinced that that day began the best days of the rest of my life because i ve been there i also know that relationships take work they don t just happen they are give and take propositions but after all the fluff is brushed away there are five basic steps in this journey of getting together and staying together from the book

Love as Passion 2014-12-10 in this important book niklas luhmann one of the leading socialthinkers of the late 20th century analyses the emergence of love as the basis of personal relationships in modern societies he argues that while family systems remained intact in the transition from traditional to modern societies a semantics for love developed to accommodate extra marital relationships this semantics was then transferred back into marriage and eventually transformed marriage itself drawing on a diverse range of historical and literary sources luhmann retraces the emergence and evolution of the special semantics of passionate love that has come to form the basis of modern forms of intimacy and personal relationships this classic book by luhmann has been widely recognized as a work of major importance it is an outstanding contribution to social theory and it provides an original and illuminating perspective on the nature of modern marriage and sexuality

The Empire of Love 2006-08-30 love and intimacy in contemporary society reflects on relationships in contemporary society and the role of love and intimacy in framing lives the book draws on sociological perspectives cultural sociology and gender theory perspectives it looks at how love and intimacy is experienced differently and intersected by gender ethnicity race and sexuality this book aims to encourage people to understand theories of intimacy emotions and desire by examining these concepts contemporaneously and cross culturally it also explores how love and intimacy is experienced by young people and how it is impacted by age it looks at its representation in the media and film and focuses on how gender ethnicity and sexuality offer different perspectives on love and intimacy the book shows how relationships are impacted by social networking and new technologies and the opportunities and challenges posed by these new platforms for building relationships finally the book examines how intimacy has become commercialised in late capitalism and how that acts to change relationships the book is written in an accessible way and explores a range of theoretical debates and contemporary research around emotions which can be useful for undergraduate postgraduate and doctoral study
