Let's Talk About Sex 2011-01-18 lets talk about it follows the lives and events of a group of girlfriends that over the years have lost the trust of one another through a series of miscommunications misunderstandings and selfish acts as the ladies move through their lives they find themselves relying on the wrong people to replace the trust they had in long term friends as the story unfolds the main characters find themselves on opposite ends of the globe experiencing painful events that help them realize how much they need one another

Talk about Careers in Science 2010-01-01

InfoWorld 1997-11-10 from the start of the new australian nation in 1901 to the use of the female contraceptive pill in 1961 let's talk about sex explores the ways sexuality has been constructed understood and experienced in australia far from being something hidden and private this work brings sexuality out into the open and explains why sex is of social cultural political and economic importance let's talk about sex is an inclusive history surveying multiple and interwoven forms of sexuality desire pleasure regulation and resistance it begins with the long victorian period the hidden desires of women and the hydraulic sexual needs of men both in the cities and on the frontier it moves across the decades considering

heterosexuality homosexuality lesbians and nascent ideas about queer and sexual difference lisa featherstone highlights the tensions of the ages venereal disease homophobia birth control rape and child sexual assault she analyses the ways non normative sexuality was constructed as evil and perverse but also how men and women responded to this pathologising of their desires let s talk about sex provides a fascinating account of sex gender age and race across the formative years of australian society

User Modeling and Adaptation for Daily Routines 2013-02-15 an exquisite examination of a sexual culture in crisis what if we took sex out of the box marked special either the worst or best thing that a human person can experience and considered it within the complexity of reality in this extraordinary book despite longstanding tabloid style sexual preoccupations with monsters and victims shame and virtue joann wypijewski does exactly that from the hiv crisis to the paedophile priest panic woody allen to brett kavanaugh child pornography to abu ghraib wypijewski takes the most famous sex panics of the last decades and turns them inside out weaving what together becomes a searing indictment of modern sexual politics exposing the myriad ways sex panics and the expansion of the punitive state are intertwined what emerges is an examination of the multiple ways in which the ever expanding default language of monsters and victims has contributed to the repressive power of the state politics exists in the mess of life sex does too wypijewski insists and so must sexual politics to make any sense at all
