when queen victoria stepped onto the throne of great britain and ireland in 1837 gone were the days when the monarch had supreme authority over the kingdom victoria ruled at the head of a government with which she was meant to converse debate and ultimately guide and it was a job she sometimes struggled to perform named one of the best books of the year by npr a revelatory wall street journal romp through the intimate details of victorian life by an historian who has cheerfully endured them all a lively account of london s most colorful visitors during the victorian era sheds light on the english periods of theodore gericault richard wagner ralph waldo emerson and other foriegners living in the great city during this seminal period in world history from the author of a circle of sisters comes a social history of victorian domestic life told through the letters diaries journals and novels of 19th century men and women organized room by room the volume is a complete exploration of victorian life dark cold and dirty a comprehensive survey of the theatre practice and dramatic literature of the victorian period as a victorian lady what unspoken rules governed what you wore how you spoke and how you filled your time this fascinating book takes you back in time to show you just how your day would be and how it differed from lower class life this first full biography of the victorian romantic novelist hall caine traces his life from childhood in liverpool through his time as housemate to dante gabriel rossetti and association with members of the pre raphaelite brotherhood to his triumphant career as a popular novelist caine a swashbuckling character who might have figured in one of his own novels wrote fifteen novels and many non fiction works vivien allen has been able to take advantage of caine s family papers and letters and living in the isle of man is well placed to write about this half forgotten author of manx desc structured in 3 parts this book focuses on immediate contexts key texts and wider contexts enables development from background issues through the actual literary texts to criticism and afterlives travel back in time with the bbc s ruth goodman we know what life was like for victoria and albert but what was it like for a commoner like you or me how did it feel to cook with coal and wash with tea leaves drink beer for breakfast and clean your teeth with cuttlefish catch the omnibus to work and do the laundry in your corset how to be a victorian by ruth goodman is a radical new approach to history a journey back in time more personal than anything before moving through the rhythm of the day this astonishing guide illuminates the overlapping worlds of health sex fashion food school work and play surviving everyday life came down to the gritty details the small necessities and tricks of living and ruth will show you how if you liked a time traveller s guide to medieval england or 1000 years of annoying the french you will love this book goodman skilfully creates a portrait of daily victorian life with accessible compelling and deeply sensory prose erin entrada kelly we re lucky to have such a knowledgeable cicerone as ruth goodman revelatory alexandra kimball goodman s research is impeccable taking the reader through an average day and presenting the oddities of life without condescension patricia hagen publisher description describes the english victorian at home from castle to cottage and every aspect of his or her domestic life the victorian age the rede lecture for 1922 by william ralph inge published by good press good press publishes a wide range of titles that encompasses every genre from well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read each good press edition has been meticulously edited and formatted to boost readability for all e readers and devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format what did it mean in the rapidly changing world of victorian england to be a man in essays written specially for this volume nine distinguished scholars from britain and the usa show how victorian novelists from the brontës to conrad sought to discover what made men what broke them and what restored them with the growth of english cities during the industrial revolution came a booming population too vast for churchyards beckett street cemetery in leeds was to become the first municipal cemetery in the country this study relates how the cemetery was started and run and describes the developing feuds between denominations the author draws upon newspaper articles archive material and municipal records to tell the stories of many of the people who lie there from tiny infants soldiers and victims of crime to those who perished in the great epidemics of victorian england the study throws new light on the occupations and pastimes of the inhabitants of victorian cities their problems with law and order their attitudes to children education and religious provision what was it like to live in a victorian household what time did the servants have to get up what was the food like and who cooked it how did the clothing differ for the different types of servants how much did the servants get paid this book shows you what it was really like to live in victorian times for

those both above and below stairs a unique and fascinating look at victorian society through the remarkable lives of an enlightened and philanthropic aristocratic couple the marquess and marchioness of aberdeen who tried to change the world for the better but paid a heavy price this is a true tale of love and loss fortune and misfortune in the late 19th century john and isabel gordon the marquess and marchioness of aberdeen were the couple who seemed to have it all a fortune that ran into the tens of millions a magnificent stately home in scotland surrounded by one of europe s largest estates a townhouse in london s most fashionable square cattle ranches in texas and british columbia and the governorships of ireland and canada where they lived like royalty together they won praise for their work as social reformers and pioneers of women s rights and enjoyed friendships with many of the most prominent figures of the age from britain s prime ministers to oliver wendell holmes and p t barnum and queen victoria herself yet by the time they died in the 1930s this gilded couple s luck had long since run out they had faced family tragedies scandal through their unwitting involvement in one of the crimes of the century and most catastrophically of all they had lost both their fortune and their lands this fascinating family quest for the reason for their dramatic downfall is also a moving and colorful exploration of society in victorian britain and north america and an inspirational feast for history lovers

how to do things with books in victorian britain asks how our culture came to frown on using books for any purpose other than reading when did the coffee table book become an object of scorn why did law courts forbid witnesses to kiss the bible what made victorian cartoonists mock commuters who hid behind the newspaper ladies who matched their books binding to their dress and servants who reduced newspapers to fish n chips wrap shedding new light on novels by thackeray dickens the brontës trollope and collins as well as the urban sociology of henry mayhew Leah Price also uncovers the lives and afterlives of anonymous religious tracts and household manuals from knickknacks to wastepaper books mattered to the victorians in ways that cannot be explained by their printed content alone and whether displayed defaced exchanged or discarded printed matter participated and still participates in a range of transactions that stretches far beyond reading supplementing close readings with a sensitive reconstruction of how victorians thought and felt about books price offers a new model for integrating literary theory with cultural history

how to do things with books in victorian britain reshapes our understanding of the interplay between words and objects in the nineteenth century and beyond originally published by routledge kegan and paul in 1973 the victorian city is a major landmark particularly in the study of the social and intellectual attitudes of victorian society to the challenge of urbanization this reissue can be purchased as a 2 volume set or as individual volumes the victorian city volume 1 0 415 19323 0 165 00 y can 247 50 y the victorian city volume 2 0 415 19324 9 165 00 y can 247 50 y in victorian london filth was everywhere horse traffic filled the streets with dung household rubbish went uncollected cesspools brimmed with night soil graveyards teemed with rotting corpses the air itself was choked with smoke in this intimately visceral book lee jackson guides us through the underbelly of the victorian metropolis introducing us to the men and women who struggled to stem a rising tide of pollution and dirt and the forces that opposed them through thematic chapters jackson describes how victorian reformers met with both triumph and disaster full of individual stories and overlooked details from the dustmen who grew rich from recycling to the peculiar history of the public toilet this riveting book gives us a fresh insight into the minutiae of daily life and the wider challenges posed by the unprecedented growth of the victorian capital mandell creighton was a historian and the first editor of the english historical review his wife louise was an advocate of the victorian women s movement this text includes their writings and letters allowing us a glimpse into victorian life vintage guide offered turn of the century seamstresses clear instructions for altering patterns and creating shirt blouses skirts wedding gowns coats maternity wear children s clothing and other apparel originally published in 1988 and now available in paperback an account of life in a victorian household based on diaries kept by the lady of the house over a 33 year period victorian england produces some the the greatest novelists in western history including charles dickens thomas hardy and george eliot critical analysis focuses on the development of the victorian novel through the second half of the 19th century the word workhouse has a grim resonance even today conjuring up a vision of the darker side of victorian britain almost every town had at least one workhouse and most people dreaded ending up there here we examine how workhouses came into being what life was like for men women and children on the wrong side of the poverty line and how social attitudes evolved through the momentous events of victorian britain into the 20th century illustrated from contemporary and modern sources this fact filled guide presents an intriguing picture of a world of steam engines self help service and salvation where workhouse life and workhouse reform influenced attitudes and services we now take for granted an introduction to the myths and realities of the history of victorian britain with accompanying primary sources while the victorian era captivates many today much of what people believe about the victorian world is actually false this book looks at nine specific myths about victorian britain explaining how the myths perpetuated and then showing why they are inaccurate coverage spans 1830 1914 from shortly before victoria s reign to world war i the book is organized in three sections beginning with social issues then cultural ones and ending with politics and war the social sections pull in the reader by discussing the most common myths about the victorians their sexual prudery strict gender roles and infamous views of the family while offering counterpoints to the myths the cultural section moves into humor criminal justice issues and race and the political section caps the book with discussions of the industrial revolution foreign affairs and war included are a large number of primary source documents showing how the misconceptions became popular along with evidence for what scholars now believe to be the truths behind the myths from the bestselling popular historian comes a masterly recreation of victorian london whose raucous streets and teeming denizens inspired and permeated the works of one of britain s and the world s greatest novelists charles dickens the nineteenth century was a time of unprecedented transformation and nowhere was this more apparent than on the streets of london in only a few decades london grew from a regency town to the biggest city the world had ever seen with more than 6 5 million people and railways street lighting and new buildings at every turn in the victorian house judith flanders described in intimate detail what went on inside the nineteenth century home now in the victorian city she explores london s outdoors in an extraordinary revelatory portrait of everyday life on the streets from the moment charles dickens the century s best loved novelist and london s

greatest observer arrived in the city in 1822 he obsessively walked its streets recording its pleasures curiosities and cruelties now with him judith flanders leads us through the markets transport systems sewers rivers slums alleys cemeteries gin palaces chop houses and entertainment emporia of dickens london to reveal the victorian capital in all its variety vibrancy and squalor from the colourful cries of street sellers to the uncomfortable reality of travel by omnibus via the many uses for the body parts of dead horses or the unimaginably grueling working days of hawker children no detail is too small or too strange no one who reads judith flanders s the victorian city will view london in the same light again one of the most unusual collections of beatrix potter s art is held by a small trust in the english lake district the armitt library in ambleside cumbria the collection comprises studies of fossils archaeological finds mosses lichens microscope drawings and many exceptionally fine fungus paintings this books contains reproductions of these superb watercolours along with a commentary by various experts on beatrix potter s scientific work this entertaining book provides a vivid month by month portrait of life in birmingham in one year 1889 the year city status was awarded by queen victoria drawing on the city s famous satirical magazines and the correspondence columns of its leading morning newspaper this account reveals what brums most enjoyed doing going to the pantomime and the circus day trips to llandudno watching the villa win at perry barr and what they most moaned about noisy and expensive trams naked bathing in the canals watching the villa lose at perry barr readers will meet the rather stern town clerk edward orford smith the first black pastor in the city peter stanford the shah of persia austen chamberlain and billy poole who appeared before the magistrates for being drunk and disorderly on no fewer than 170 occasions the book is illustrated with ten photographs and ten cartoons relating to brum in 1889 from the great great great granddaughterof charles dickens comes a fascinating look at life during the victorian era the victorian age witnessed enormous changes around britain and vast swathes of the globe with intriguing facts and stories the victorian treasury looks at both the minutiae of everyday life and the major world altering events during queen victoria s long reign it explores urban legends the notorious crimes of jack the ripper and constance kent the building of the london underground how a maid spent her leisure time how it felt travelling on a steam train for the first time and much more e f benson was one of the best known authors of his generation and here he turns his keen satirical eye on the victorian era written as personal observations and short anecdotes e f benson was in a rare position having met some of the most famous people of the era through his well known father this gives these stories and memories a rich depth that only comes from someone who lived such a rich and varied life
