teachers particularly in the upper primary and lower secondary levels address a number of situations that at some stage may involve the lives of some or all of their students the activities provide a framework for literacy based worthwhile discussion and sharing of thoughts and ideas p iii children are naturally inquisitive and eager to explore and learn about the world around them it is important for their guardians both parents and teachers to satisfy their queries and that too in such a way that the children are able to understand and comprehend the concepts as well as learn from them also there exists a gap in the level of information and knowledge provided to the children by the parents vs that provided by their teachers discrepancies might also exist in the methodology ies through which the information and knowledge is relayed this increases the possibility that the children might either not understand the concept clearly or become confused about the correct interpretation of the concepts with these objectives in mind and to build connectivity between the teaching methodologies by parents and teachers we at oswaal books have come up with this manual for teachers and parents some benefits of using this manual are it aims to aid the teachers and parents in simplifying the concepts studied by children as a part of their curriculum it equips the parents and teachers to enable the children to understand the subjects and also evaluate their measure of understanding and creativity it includes learning and understanding aids along with a lesson plan for each chapter
