The Marine Electrical and Electronics Bible 1998 in 1923 the southern historical society shs published proceedings of the confederate congress in its journal southern historical society papers it was the first of nine issues containing congressional minutes from the public sessions of the confederate congress that met in richmond virginia from february 1862 to march 1865 unlike the summary notations of the official us congressional journals the proceedings were drawn primarily from the archives of two newspapers from richmond virginia the examiner and the dispatch which served the confederacy s capital city these journalists reports preserved nearly verbatim transcripts of speeches debates and bills considered by the confederate legislature including details seldom available from other sources and have proven to be invaluable sources for confederate political history proceedings of the confederate congress is not without problems however chief among them its lack of completeness owing to budgetary constraints and lack of resources shs president douglas southall freeman was forced to focus exclusively on the sessions of the regular confederate congress beginning in 1862 none of the proceedings of the montgomery and richmond provisional congresses of 1861 and 1862 were included in the series with congress of states david carson fills this void by compiling and editing the minutes of these early legislative sessions from daily press reports published in newspapers in richmond virginia montgomery alabama charleston south carolina new orleans louisiana and savannah and augusta georgia in the process assembling a complete set of transcriptions documenting the creation of the confederate government when delegations from south carolina mississippi florida alabama georgia louisiana and later texas met in montgomery alabama in february 1861 to discuss the creation of a southern national government none had been authorized to do so by the conventions that sent them within weeks however they launched a de facto constitutional convention formed a government and selected jefferson davis and alexander stephens to serve as president and vice president of the new nation this transpired at a critical juncture prior to abraham lincoln s first inauguration when eight other slave states had yet to act the delegates understood their place on the public stage and newspapers usefulness in espousing and galvanizing their cause from its initial formation through the expansion of the confederacy and the new government s official establishment in the capital city of richmond virginia the provisional congress provided a vehicle around which the new nation coalesced as members negotiated with states and foreign governments mobilized a military consulted with constituents and forged a national culture as the conflict deepened sensitive business increasingly took place behind closed doors away from the public reporters and the risk of espionage as would also be true in the regular confederate congress but even the public functions that remained and were reported on in open chambers provide valuable insights into the workings and mindset of the confederate government intended as a primary source and reference for libraries historians and political scientists of the nineteenth century congress of states provides an introduction explaining the provisional confederate congress and

the background and purpose of the book relative to the shs and its proceedings of the confederate congress a chronology outlining the major events surrounding the secession crisis which informed and influenced the provisional congress annotated minutes for each of provisional confederate congress s five sessions and appendices featuring the leadership and committees of the provisional congress primary source documents referenced but not included in the proceedings and examples of the proposed emblem and flags debated as symbols of the confederacy
